MEMORANDUM FOR: Deputy Director for Administration

25X1 FROM:

[REDACTED]
Directory of Security

25X1 SUBJECT: Classified Conferences at Non-Agency
Facilities [REDACTED]

REFERENCE: Memo for DDA from D/L (via D/S), dtd
18 Dec 84, Subject: Conference Facilities

1. This memorandum forwards my concerns about security certification of certain types of facilities for classified conferences and my recommendation for the resolution of the problem. This recommendation proposes substantially the following:

- That a DDA level working group be immediately convened to address the problem.

- That this group establish and publish a deadline date, not beyond 29 February 1988, after which classified conferences at previously approved facilities will not be allowed.

- That this group ensure that short range options, discussed later in this memorandum, are in place prior to the group's deadline date. [REDACTED]

both short and long range options and/or objectives that could be used to assist in resolving the issue. Those listed in Para. #5, above, should be taken into consideration.

I feel that it is important that the group establish and publish a deadline date, not beyond 29 February 1988, after which classified conferences at previously approved facilities will not be allowed. The group should ensure, however, that, at a minimum, the short range options (discussed above) are in place prior to the date of the deadline.
